15 ~~be administered with the aid of technology, but may include one or~~
16 ~~more parts that prohibit the use of technology. The English I and~~
17 ~~English II end-of-course assessment instruments must each assess~~
18 ~~essential knowledge and skills in both reading and writing and must~~
19 ~~provide a single score].~~ A school district shall comply with State

16 instruments required to be administered to students, the State
17 Board of Education shall adopt rules reducing the number or
18 frequency of assessment instruments administered to students under
19 state law, and the commissioner shall ensure that students are not
